The Great Martyr Procopius

The Great Martyr Procopius was born in 284 to a Christian father and pagan mother. He was raised by his mother and quickly ascended in the government ranks under the Emperor Diocletian. However, despite being her son, his mother turned him in for his Christians beliefs, where he was then imprisoned and tortured and ultimately beheaded for his faith in 303.

“O Holy Great Martyr Procopius, pray for us sinners.”
